NBA Dots and Dashes

by Ralph Bernstein

Associated Press Sports Writer

The Minneapolis Lakers with five titles and the Warriors with two are the only pro teams to win the world basketball championship more than once. The Lakers' record of three straight crowns, 1952 through 1954, appears a tall order to match even in a league where tall predominates....

Six of the current NBA coaches are up from the player ranks, including the Warriors' Al Cervi. The only player-coach is Syracuse's Paul Seymour. Red Auerbach is the oldest coach in point of service. He started in 1946 with Washington. John Kundla piloted the Lakers prior to their joining the National Basketball Association in 1948....

George Maskin of the Detroit Times observes that the Pistons' George Yardley earned about $11.99 for each point he scored last season. Maskin figures that Yardley will receive somewhere around $24,000 this season and based on his 2.001 points scored last year, it breaks down to just a shade under $12 for each time he scored a free throw and double that for each of his field goals.

Mikan's 22.6 rates as the highest all time scoring average, but the Warriors' Paul Arizin is breathing down the ex-Laker's neck with a 22.4 norm. Neil Johnston's 20.2 ranks third with Bob Cousy's 19.3 giving the Celtic's ace fourth place .... Arnie Risen played in the most games, 758, to 701 for Andy Phillip, 687 for Paul Seymour and 686 for Dolph Schayes. Joe Graboski's 594 games played is high for the Warriors—15th in the league....

Most unenviable record must be that held by Vern Mikkelsen who has been disqualified from the most games, 119. Paul Arizin ranks sixth in the league with 59 disqualifications .... Madison Square Garden has the largest NBA seating capacity, 18,000 and Syracuse the smallest, 7,500 in the Onondaga War Memorial .

Ah fr the life of a basketball coach. There are 58 NBA coaches. The best record percentagewise was turned in by Murray Mendenhall who in two years at Fort Wayne registered 74-24 for .750. Among the veteran coaches, Les Harrison's Rochester team won 295 and lost 181 for .622; Red Auerbach, 477-314, .603; John Kundla, 309-263, .597; Al Cervi, 294-201, .594....

The Boston Celtics played the entire fourth quarter of a game against Minneapolis in 1952 without committing a personal foul. No, the referee's didn't swallow their whistles .... George Mikan still leads all playoff players in points scored with 1,680. Dolf Schayes of Syracuse, who already has played in two or more playoff series than Mikan, is second with 1,272 and Bob Cousy third on 1,031 points. Mikan played in 7 series, Schayes in 9 and Cousy in 8.
